Risk Statement:

Powerboat Racing is by its nature a dangerous sport and therefore inherently involves an element of risk.

By participating in or becoming involved either as a participant, team member or otherwise individuals agree and acknowledge that:

- (i) they are aware of the inherent risk involved in the sport and accept responsibility for exposing themselves to such inherent risk, including risks to their person, their property, drowning, hypothermia, collision injuries burns and other physical injuries as well as possible death
- (ii) they have satisfied themselves that they have the necessary skill and knowledge to take part in the event and deal with the conditions that may arise in the course of a race
- (iii) they will not participate in the event whilst under the undue influence of alcohol, drugs or whilst otherwise unfit to participate
- (iv) they are responsible for the safety of themselves their crew their boat and their property whether afloat or ashore
- (v) the management of their boat including insurance is solely their responsibility
- (vi) scrutineering does not constitute a condition survey of the boat and it is solely their responsibility to decide whether or not to start or to continue in any powerboat race.
- (vii) ensuring the efficiency and suitability of the helmets and racing vests worn is solely their responsibility
- (viii) the provision of a race management team, patrol boats and other volunteers by the event organisers does not relieve them of their responsibilities
- (ix) the provision of patrol boat cover is limited to such assistance particularly in extreme weather conditions as can be practically provided in the circumstances
- (x) to be bound by the conditions of the Race Entry Form and Racing Instructions
- (xi) they will accept the decisions of the organising committee and officials nominated by the organising committee.

Indemnity:

Participants in the event will be required on signing on to the event to save harmless and keep indemnified:

- (a) The owners of the premises at which the event is held;
- (b) The organising club and their respective officials, servants and agents; and,
- (c) The other boat owners, drivers, passengers or mechanics engaged in the meeting, (together with the "Indemnified Parties") AGAINST all actions, claims, costs, expenses and demands

in respect of loss of or damage to the property of or personal injury sustained to the Indemnified Parties to the extent caused by the participants, their crew, their boat, their mechanics, support team, representatives or agents.

THE RESPONSIBILITY TO PARTICIPATE IN THIS RACE IS THE TEAM'S DECISION

2019 Poole Bay 100
Offshore Powerboat Race
Race Instructions

Rules and Regulations:

These races will be run as stated in these Race Instructions, 2019 UKOPRA Class rules and any other instructions issued before or at Drivers' Briefings or in Race Bulletins.

Racing rules: <https://www.ukopra.co.uk/wp-content/uploads/2019/04/UKOPRA-Rules-2019.pdf>

2017 Moto Limited in conjunction with the OOD, Safety Officer and Scrutineers have the right to refuse any boat which they consider unsuitable and/or which does not conform to the requirements of the present Rules.

2017 Moto Limited, the OOD and Safety Officer reserve the right to change these Instructions at any time for safety reasons, provided that any change will be in accordance with the current rules. Any changes will be notified to competitors in a Race Bulletin and, if possible, announced at Drivers' Briefing.

Any infringement of the Rules or of the Race Instructions, or instructions issued at Drivers' Briefings or in Race Bulletins may lead to disqualification or other penalties being applied by the OOD and / or 2017 Moto Limited.

Race Licences:

All competitors will be required to hold an UKOPRA Offshore Powerboat Racing licence.

Licence application: <https://licenses.ukopra.co.uk/>

All race boats must be registered with UKOPRA.

Class rules requiring Immersion Certificates and/or Sea Survival and First Aid must produce valid evidence to the Technical Inspector.

Awards:

Powerboat Racing World trophies made by Multispark Racing Products to be awarded to the winning driver in UKOPRA Classes:

Poole Bay 100 trophies will be awarded to 1st, 2nd and 3rd crew in UKOPRA Classes:

- Offshore 1
- Offshore 2
- Class 3 A/B
- Class 3 X
- Class 3N

Competitors Responsibility:

Competitors must read the Risk Statement, Indemnity and safety information in these instructions.

By signing the race entry form and the official signing on form at the event all competitors must be aware of:

- Collision regulations, SOLAS regulations.
- Start procedures
- Overtaking rules
- Flag procedures
- Emergency assist procedures
- Responsible for the choice and fit of helmet
- The choice and efficiency of a racing vest being the sole responsibility of the wearer
- Competitors are reminded that Safety takes precedence over racing at all times

Event Safety Cover:

Safety cover will be provided by the race organisers in accordance with the event risk assessment and safety deployment plan.

A mobile unit on East Overcliff Drive, near the Cumberland Hotel.

Full details of safety cover will be given to all competitors at Drivers' Briefing.

MCA will be informed of the event and kept up to date with race information during the races.

Competitors are reminded that Classes Offshore 1&2 (Marathon) is for sea worthy offshore craft capable of undertaking independent extended offshore passages in unprotected waters.

All competitors running boats with cockpit safety cells and restraints are reminded that they are responsible for their own safety and that, in the event of a capsized, their survival depends on their ability to extract themselves from the boat.

Limited safety cover at the event may be able to assist, but all crews must accept that this assistance cannot be relied upon and should be considered as secondary to their own capacity for self-extraction.

Timing / Courses:

All boats will be timed from Bournemouth Pier and SailRacer GPS trackers.

All marks will be observed either from land or sea.

Official Mark Boats will fly a flag to be described at Briefing.

All Offshore 1&2 (Marathon) competitors using electronic chart plotters should enable the tracking function using settings suitable for recording their track throughout the race at an update rate of no less than one point per minute.

In the event of any dispute regarding their correct completion of the course, failure to make this tracking information available to the OOD or Race Jury may reduce the competitor's chance of successfully avoiding a penalty or disqualification.

Retirement:

All competitors are reminded that they must inform the Event Safety Officer or, if this is not possible, a race official as soon as they retire from the race. Competitors are also reminded that, where practical, they must raise their ORANGE FLAG to indicate they have retired from the race. Retiring boats with canopies must turn on their strobe light.

In the event of retirement, boats must report immediately to 'Safety Control' on VHF Channel 37, or by telephone to the Event Safety Officer, or, if possible, to the nearest Safety/Observer boat.

When reaching port, they should immediately make contact with Race Administration in person, or by telephone to 'sign off'.

Any competitor calling for assistance via recognised distress procedures or from Safety Control will be considered to have retired.

Finishing:

When the leading boat in each race crosses the finish line (as described in the course details) they will be shown the class FINISH FLAG, to be described at Briefing.
All following boats in the class will then be flagged as finishers.

On receiving the FINISH FLAG, race boats must come off the plane after crossing the above line, and within 100 metres of such.

It is not permitted to continue racing after receiving the FINISH FLAG.

Boats should then turn to starboard, towards the centre of the course, and proceed towards the Committee Boat where they may be further instructions given.

When it is safe to do so, all race boats should make their way back to Poole Quay, observing all Harbour speed limits.

To qualify as a finisher, competitors must complete the correct course within the stated time limit, within the rules and in accordance with Race Instructions, Race Bulletins and any further instructions given at Drivers' Briefing.

Any competitor who disobeys instructions from the local authorities will be subject to civil prosecution and may be disqualified.

Post-Race Declaration:

The Driver or Co-Driver must sign off at race administration as soon as possible after returning to Poole Quay.

Failure to do so within one hour of returning to Poole Quay may result in exclusion from the results.

Protests against another competitor must be lodged by signing off time.

All Crew Members must sign off at race administration before the end of the event.

Post-Race Technical Inspection:

To be classified as a finisher:

- All crew members must be available with their craft and all relevant mandatory equipment required by class rules for post-race scrutineering if required, up to one hour after the posting of the results
- One or more engines may be checked, and fuel sampling may take place

Protest / Race Jury:

A Race Jury will be formed from UKOPRA members in the event of a protest.

A fee of £250 must be lodged in cash prior to the Protest Hearing to the Race Secretary.

The Race Jury's decision is full, final and binding.

There is no right of appeal or subsequent redress.

Race Cancellation:

2017 Moto Limited may cancel or postpone the event or a race at any time in the event of bad weather, equipment failure or otherwise.

The entry fee is not refundable unless specified by 2017 Moto Limited.

Registration:

Sign-On will commence on Saturday June 8th from 07:00.

It is not required to Sign-On Friday June 7th.

Technical Inspection:

Pre-race Technical Inspection will take place in the pit area in accordance with class specific rules. Competitors are reminded of the following points:

- Competitors are responsible for the seaworthiness and condition of their own craft and that they are carrying all equipment required to race within the rules.
- All craft will receive a basic safety check over with random specific checks pre-race.
- Prior to racing all competitors are to sign to confirm that their craft comply with minimum class weight limits, craft may be weighed post-race, failure to meet minimum weight may result in disqualification from the results.

2019 Poole Bay 100
Offshore Powerboat Race
Race Instructions

Fuelling Arrangements:

Competitors should arrive at Poole Quay fully fuelled for the race.

Be aware of the distance from Poole Quay to the start line and ensure boats have enough fuel to get out, race and return without assistance.

Competitors are reminded that no transfer of fuel is permitted in the Poole Quay wet pits.

All smoking, of any type, is prohibited in the pit and launching areas.

Practice:

There will be no official practice for this event.

Noise and Speed Restrictions:

Competitors should familiarise themselves with and must obey the local regulations and Bye Laws relating to excessive speed and noise >> <https://www.phc.co.uk/>

Any competitor speeding will be disqualified.

All competitors are requested to refrain from starting their engines unless absolutely necessary before proceeding to the race.

Penalties:

Smoking of any kind, including vaping, in any non-designated area will incur a £250 penalty.

Any driver deemed by the OOD or Safety Officer to be driving in a dangerous or reckless manner will be disqualified from the race with no points awarded and referred to UKOPRA for further training.

Courses and Procedures:

Offshore 1&2 (Marathon)

Start Lap D, Lap E, Lap C, Lap C, Lap C.

Total: 121 NM
